NOTICE

24/9/26

To,

All Ph.D. Research Scholars

Maa Pateshwari University, Balrampur

Subject: Evaluation of Synopsis Presentation and Submission of Preferences for Ph.D. Supervisors

All concerned Ph.D. Research Scholars are hereby informed that the **Synopsis Presentation** shall form an important component of the process of allotment of Ph.D. Supervisors.

The performance of each Research Scholar during the Synopsis Presentation will be evaluated by the duly constituted committee experts. The evaluation will take into consideration the scholar's understanding of the proposed research topic, clarity of objectives, research methodology, relevance and feasibility of the proposed research work, presentation, and responses to questions raised during the presentation.

Based on the merit obtained in the Synopsis Presentation/Evaluation, the allotment of Ph.D. Supervisors will be made, subject to the availability of seats, research area, specialization, and applicable University rules and regulations.

In addition, each Research Scholar shall submit five (05) choices/preferences of Ph.D. Supervisors in the prescribed format. The preferences should be given in order of priority:

1. First Preference: _____
2. Second Preference: _____
3. Third Preference: _____
4. Forth Preference: _____
5. Fifth Preference: _____

The submission of preferences shall not confer any right to claim allotment of a particular Supervisor. The final allotment shall be made by the University on the basis of merit, compatibility of the scholar's proposed research area with the Supervisor's area of specialization, availability of seats, and other applicable norms.

All Research Scholars are therefore advised to prepare their synopsis presentation carefully and submit their **five preferences for Ph.D. Supervisors** within the prescribed time.

The detailed schedule and format for submission of preferences shall be communicated separately by the concerned office.
